

eRisk Hub®

When a breach event occurs, time is of the essence. Having a breach response plan in place with access to the third-party resources you need, can help you efficiently and cost-effectively respond to, and recover from the breach.

As a Hanover Insurance policyholder, you will receive complimentary access to the eRisk Hub® portal, powered by NetDiligence®. The eRisk Hub provides tools and resources to help you understand your exposures, establish a response plan and minimize the effects of a breach on your organization.

Key Features of the eRisk Hub Portal

- **Incident Roadmap**—includes suggested steps to take following a network or data breach incident, free consultation with a Breach Coach® and access to a breach response team
- **News Center**—cyber risk stories, security and compliance blogs, security news, risk management events and helpful industry links
- **Learning Center**—best-practices articles, white-papers and webinars from leading technical and legal practitioners
- **Risk Manager Tools**—assists you in managing your cyber risk including a self-assessment and state breach notification laws
- **eRisk Resources**—a directory to quickly find external resources with expertise in pre- and post-breach disciplines

The eRisk Hub® portal is an effective way to help your clients combat cyber losses with minimal, controlled and predictable costs.
