

## ▶ Hanover Risk Solutions—Partners in Safety

At The Hanover, our Risk Solutions experts are on hand to help businesses mitigate risk with a broad range of solutions. And we know that sometimes, business owners need a solution that doesn't come from an insurance company.

To cover that gap, we've negotiated with an array of providers to help address safety and security needs at low or no-cost, and sometimes, reduce deductibles in the process.

Our Risk Solutions Partner, ISO, through its **Engineering and Safety Service**, provides technical information on all aspects of loss control and risk management through its library of information.

### ISO's Engineering and Safety Service

ISO's Engineering and Safety Service (E&S™) is a leading provider of technical, legislative, and regulatory information for risk management and loss control. The Hanover's subscription to this service provides our policyholders with free access to a wide range of risk management and loss control information.

#### **E&S™ provides:**

- Risk Management specialized technical reports
- Risk Management InfoLinks
- Online Professional Development programs
- E&S Electronic Newsletter
