

▶ Hanover Risk Solutions—Partners in Safety

At The Hanover, our Risk Solutions experts are on hand to help businesses mitigate risk with a broad range of solutions. And we know that sometimes, business owners need a solution that doesn't come from an insurance company.

To cover that gap, we've negotiated with an array of providers to help address safety and security needs at low or no-cost, and sometimes, reduce deductibles in the process.

Our Risk Solutions Partner, **National Equipment Registry (NER)**, offers Hanover policyholders registration services for their construction equipment that makes it easier to track and recover stolen equipment in the event of theft.

NER

NER addresses the problem of stolen construction equipment with a registry database that's available to law enforcement 24 hours a day to help quickly recover stolen equipment.

NER provides:

- A national equipment database, searchable 24 hours a day by law enforcement.
- Volume discounts—the more you register the higher your discount with NER
- Additional survey and risk management services for equipment owners, buyers, insurers, financial institutions and equipment manufacturers

Hanover will waive the deductible amount for our policyholders up to \$10,000 if their stolen equipment is not recovered within the first sixty days from the date of loss.*
